

MEDICAL CREDENTIAL VERIFICATION REPORT

PRACTITIONER INFORMATION

Name: **Dr. Ahmed Ben Ali**
Specialty: **Cardiology**
Registration: **12345ABC**

VERIFICATION RESULTS

Trust Score: **3.25/100**
Documents Reviewed: **1**

DECISION

PENDING_REVIEW

Reasoning: Critical issues found in the verification process, including a non-readable diploma, unknown school accreditation, missing license number, and failed face match. Human review is required to ensure accuracy.

ISSUES IDENTIFIED

1. Diploma incomplete or unreadable
2. School None not in WDOMS accreditation list
3. License number required for legal practice check
4. Face match failed (Score: 0.0)

RECOMMENDATIONS

1. Assign to compliance officer for manual review
2. Schedule verification meeting with practitioner
3. Request clarification on flagged inconsistencies
4. Verify documents with issuing institutions
5. Provide decision within 5 business days
